### CONSENT ADULTS & CHILDREN

#### Consent for photographs of Adults and Children to be displayed

To advertise you for work we need permission to show you (or your child's) pictures on our website and to our clients. To do this, we need you to confirm we have permission. These photographs will be stored and could be used for a range of purposes, from portfolios, client castings and publications and on the website. They may also be used for activities involving the agency.

#### To the model/actor

By filling in the application form you are agreeing that we may use your photograph(s) in publicity material including printed publications and/or our website/s?

By filling in the application form you are giving permission for your (or your child(ren's)) photographs which you have sent in – or a photographer has taken, to be shown on our website, in their online portfolio and sent to casting directors for search of work.

Please note we will not be responsible for any liability regarding copyrights on the photographs uploaded to our site. We assume we have full rights to use and distribute to clients every image you upload.

*Please note that web sites can be viewed throughout the world, not just in the United Kingdom where UK law applies. It has been possible for images to be copied from websites and used elsewhere – mi-mo do not agree with this copying of images and cannot be held responsible if this were to happen. This form is valid indefinitely or until we receive written notification to prevent us from using the photos.*
